

Warranty & Limitation of Liability

Exclusions & Liability:

All warranties herein will exclude any items installed incorrectly, misused, neglected, altered, or abused. Any damages, failures, or defective items are subject to the discretion of Signlights LED. Failure to follow instructional documents or manual will void all warranties.

Signlights LED shall have no liability whatsoever in any event for payment of incidental or consequential costs including, without limitations, installation costs, and damages for personal injury or property.

All individual or companies using Signlights LED products are required to follow all National, State, and local government laws and guidelines requiring installation, use and disposal of products.

Use of a surge protector is highly recommended.

Signlights LED, LLC reserves the right to examine all products and reserves the right to be the sole judge as whether any product is defective and covered under warranty.

Damaged Items:

Any product item shipped from Signlights LED that is found to be damaged as a result of shipping must be reported to Signlights LED immediately upon receipt. Please inspect all packages upon receipt before delivery driver leaves premises. If you encounter damaged product due to shipping, contact Signlights LED at 864-384-6641 to request a damage call tag (DCT). Once a DCT has been issued, product must be returned to the shipping company in the original packaging. Once received, if damage is found to be caused by shipping or packaging failure, a replacement product will be sent.

Defective Item:

Any items found to be defective within the warranty period must be returned to Signlights LED in the original packaging for evaluation. In the event of a return of a defective item (s), an RMA number must be obtained by contacting Signlights LED at 864-384-6641. Buyer is responsible for the shipping of the defective item to Signlights LED. If the product is found to be defective, a replacement product will be issued at no charge .

No Return/ No Refund Policy

Signlights LED does not issue refunds. Returns will be accepted only if product has been damaged in shipping or is defective and the specific instructions for returns have been followed.

Onsite Technician Support:

On site requested visits by a Signlights LED Support Technician will incur the following charges:

\$350 minimum charge for first 3 hours and \$75 per hour for each additional hour. plus fuel charges. Charges will begin once Technician leaves our facility and if overnight stay is required, hotel or lodging fees will be charged additionally.
